

School Fundraising

Make a difference to the lives of young people in Africa

Why do we need your help?

Every day a child's potential is wasted, but with your help we can make sure that children receive the quality education that they deserve by providing:

- Classrooms
- Books
- Desks
- Better toilets
- Training for teachers
- Clean and safe water
- Teaching resources

How your school will benefit

Our School Fundraising Programme, developed in consultation with UK teachers, provides lesson plans linked to the national curriculum as well as school presentations, games and resources to help your students:

- Gain a better understanding of global issues
- Learn about the cause they are supporting
- Establish links between their lives and the lives of those that they are helping
- Understand the work of charities
- Develop participation skills and their role in active global citizenship
- Work as a team to understand how individual and collective actions can benefit others

Your school will also gain an unforgettable insight into life and learning in a school in sub-Saharan Africa.

"The website was bright and attractive; the children were really motivated to support Build Africa because they could see very clearly what their fundraising efforts were going to be contributing to. The resources were very easy to download and use at school, the information was really well presented."

Registered Charity No. 298316. Build Africa is a company limited by guarantee, registered in England No. 2200793

How you can help

Start fundraising today –
it really makes a difference!

- **£200** could provide text books and learning resources for one class
- **£500** could provide a handwashing station, so children have a clean and hygienic place to wash their hands
- **£2,000** could equip 100 parents with practical skills to help their children learn at home
- **£9,750** could build a safe and hygienic toilet block with eight latrines
- **£11,700** could pay to build an entire classroom block for one year group

Visit our website at www.build-africa.org/school-fundraising to download our school fundraising pack with an A to Z of great ideas, posters and games as well as free curriculum-based resources to support global learning in the classroom.

For further information please contact us on:
schools@build-africa.org.uk or call **01892 519 619**

School Linking

Linking is a unique opportunity to impact the lives of hundreds of pupils in both the UK and Africa.

For a minimum donation of £1,000 a year we will link you with a primary school in Kenya or Uganda and provide:

- Bi-annual letter exchanges to help improve pupils' knowledge of other cultures and their own role as global citizens
- Fundraising kit and ongoing support through the year

- Free school resources, including lesson plans
- Feedback on your link school for each year of your support, enabling you to monitor its progress and see the difference that your donation has made

To enquire about how to make your school a global school, visit our website at:
