

What your cash can do

Give a little, help a lot!

When you donate to Build Africa you're part of something amazing. That's because every single pound you raise is spent by Build Africa to help change the lives of children and their communities in Kenya and Uganda.

£4

£4 could provide an essential handbook for a Community Based Trainer, who will work with parents to help them stabilise their incomes.

£7

£7 could provide dignity kits, including soap, pants and sanitary towels, for four girls.

£22

£22 could fund a training day for 100 farmers, so they can learn agricultural best practice and improve their yield.

£40

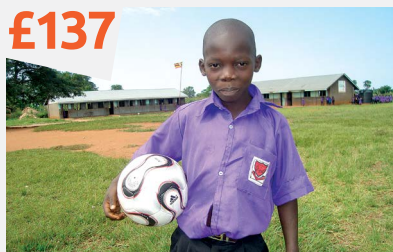

£40 could buy a two seater desk, improving children's handwriting and wellbeing as they no longer have to sit on the floor.

£80

£80 could provide financial start-up kits for 100 parents, so they can set up small businesses and start savings clubs.

£137

£137 could buy sports equipment for a school, giving hours of sporting fun and lots of healthy exercise to the children.

£200

£200 could provide textbooks and learning resources for a whole class, making lessons fun and engaging for children.

£350

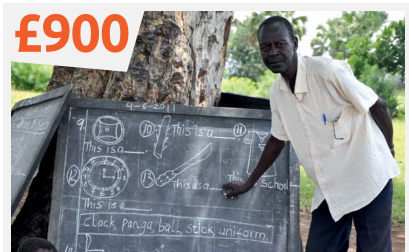

£350 could pay for community engagement sessions for one year, so parents can get involved in their school and have a say in how it's run.

£500

£500 could buy a handwashing station so children have a clean and hygienic place to wash their hands.

£900

£900 could set up a support group for teachers in one school, enabling them to share and improve their skills so they can inspire their class.
